

YASIN HONNOLLI

Profile

I am a highly skilled and results-driven Full-Stack Developer with 2 years of experience in .NET Development. My core skills include C#, .NET development, Bug fixing, debugging, JIRA, LINQ, Stored Procedures, MS-SQL. I also possess web design knowledge with React. I hold a Master's degree in Computer Application and have actively contributed to client Proof of Concepts (POCs), enriching my skills and knowledge. I excel in managing the entire software development lifecycle, from conceptualization to deployment and ongoing support. My strength lies in effective cross-functional team collaboration, and I am committed to staying updated with cutting-edge technologies to deliver scalable and efficient solutions that meet industry standards.
